PROFESSIONAL SUMMARY

Motivated Software Developer with strong knowledge of Python, Django, HTML, CSS, JavaScript, Bootstrap, MySQL, and SQLite. Passionate about building scalable web and mobile applications with clean, maintainable code. Quick learner with excellent problem-solving skills and a strong interest in full-stack development and modern software technologies.

EDUCATION

Master of Computer Application (MCA) <i>Don Bosco Arts and Science College, Angadikadavu</i>	2023 – 2025
Bachelor of Computer Application (BCA) <i>Don Bosco Arts and Science College, Angadikadavu</i>	2020 – 2023
Higher Secondary Education <i>St. Mary's HSS Edoor</i>	2018 – 2020

TECHNICAL SKILLS

Languages: Python, C, C++

Web: HTML5, CSS3, JavaScript, Bootstrap, Django

Database: MySQL, SQLite

Tools: VS Code, PyCharm, Android Studio, Git

Concepts: OOP, Firebase, Responsive Web Design

PROJECTS

Car Club *Python, Django, SQLite*

- Developed a web application for ordering vehicle spare parts online. Implemented secure authentication and role-based access control. Built separate modules for Admin, Users, Spare Parts Shops, and Workshops. Integrated product management, workshop management, order processing, and reporting.

E-Kart *Python, Django, SQLite*

- Built a responsive sports e-commerce platform using Python and Django. Developed features including user authentication, product browsing, shopping cart, and secure checkout. Implemented an admin dashboard for managing products, categories, orders, inventory, and customer information. Optimized database operations with SQLite and designed a scalable architecture following the Django MVC pattern.

AI Skin Expert *Python, Java, MySQL*

- Developed an android and web-based system using Python. Innovative app for identifying skin conditions and diseases using neural networks. Created a responsive frontend using Java (Android), Python. Integrated MySQL for robust and secure data storage.

CERTIFICATIONS

- Python 101 for Data Science – IBM
- The Complete Android 15 Course (Java & Kotlin) – Udemy
- Deloitte Australia Technology Job Simulation – Forage

SOFT SKILLS

- Problem Solving
- Analytical Thinking
- Effective Communication
- Team Collaboration
